Suggestions for a Spiritually Healthy & Balanced Gathering

Agree on a day, time, and place to meet that fits the group (anyplace is okay if you make it God’s time in your midst). The group might meet in a home, café, or public pavilion...but encourage everyone to consider the Gathering a true and complete Body-Of-Christ....a Church that touches and changes peoples lives. Seek to be a fully functioning church by living out the following kinds of experiences each time you meet:

1. **Supportive Friendships**...share life concerns and pray for each other. Take turns telling (a) what the world has been dumping on you this week, and (b) what God has been doing in your life this week. “Be There” for each other in the ups and downs of living.
2. **Authentic Worship**...focus on God’s greatness using any combination of music (CD, guitar), art, silence/awe, nature, testimony, scripture promises, etc.
3. **Obedience-Based Discipleship**...apply a Bible passage to how you live. Dialogue over what each verse says about God/others/living/self. Pick practical passages. Let everyone talk, ponder, and internalize the meaning for their life needs.
4. **Life-Involvement Evangelism**...include not-yet-christians fully and naturally, and allow them to hear/see how Christ is working in the lives of others. As friendships deepen nurture everyone toward expressing their own journey with God. Let people be drawn to Christ by all they experience in the Gathering.
5. **Helping People**...seek opportunities to help others like Jesus would. Get involved in meeting needs of persons outside the Gathering in practical ways. Let different people take food, money, prayer or encouragement to those in life crises.
6. **Baptize** anyone who professes faith in Christ. Any person okayed by the gathered church can do the baptism and any place is okay.
7. **Interns**...ask God for interns who will learn, grow, and start new churches for other relationship groups...all over the world!
